Time to Talk

Earthquakes

Research tells us that there is a **30% chance that a significant earthquake will strike southwestern British Columbia in the next 50 years.**

It's not a question of "if", but "when". It's time to make sure you're prepared.

Tour date and location is subject to change. Please visit ibc.ca for the most up-to-date information.

IBC Shake Zone

April 9th – October 19th

Learn how to be better prepared by experiencing the **IBC Shake Zone** portable earthquake simulator at a location near you.

Insurance Bureau of Canada (IBC) is a leading national voice on helping Canadians and their governments prepare for a major earthquake, an event that could result in injury, loss of life, and significant harm to the country's economy.
